A French-born product designer raised in New Zealand, passionate about sustainability and community, currently seeking a junior position in design.

---

## ABOUT

### I am seeking

a position as a junior facilitation designer where I can apply my skills across a variety of unique problem spaces

### I graduated in

New Zealand's AUT University with a bachelor of Industrial Design in 2017, also completing SuperHi's Introduction to UX course

### My achievements include

Placing as a finalist in the DINZ Best Awards 2018, coming 1st place in AUT's 2017 Entrepreneurship challenge in the Digital catalogue and 2nd over all, securing \$10k NZD of funding for a start-up app idea

### Proficient in

Design thinking, co-design, 3D modeling, Solidworks, Figma, InDesign, Photoshop, Illustrator, rapid prototyping, sketching, end-to-end project management, customer management, sales

### I also enjoy

Outdoor pursuits (rock-climbing, hiking), traveling, cuisine, history, culture, sustainability

## DESIGN EXPERIENCE

### Design & Sales - Jag Kitchens

**Auckland, NZ | May 2018 - Sept 2019**

Worked directly with clients to help them create their dream kitchen, sold 47 Kitchens with a 37% conversion rate, developed plans and 3D models, communicated with suppliers, and managed pricing and product selection

### Graphic Design - Vertical Adventures

**Auckland, NZ | Mar 2018 - Aug 2019 (freelance)**

Created more professional and consistent print material, pricing menus, posters when required

### CAD & Web Design - Hire Plants

**Auckland, NZ | Jan - Feb 2018**

Created an easily accessible online internal product directory for Hire Plants, 3D modeled their existing products and collated other relevant information such as dimensions and photographs

## CERTIFICATIONS

NZ Level 1 First Aid  
Full NZ drivers license

## LANGUAGES

**English** - Fluent  
**French** - Basic spoken
